TERMS OF SALE

- 1. This is a public auction sale conducted in Beverly Hills, California by licensed and bonded auctioneers. The licensed auctioneers are IRA M. GOLDBERG and LAWRENCE E. GOLDBERG.
- 2. The auctioneer, and cataloguer, Superior Galleries reserves the right to include in any auction sale its own material as well as material from affiliated or related companies (including Superior Stamp & Coin Co., Inc., a California Corporation hereafter collectively referred to as "Superior" which reference includes its affiliated or associated companies). The auctioneer, cataloguer, and Superior may have direct or indirect interests in these, or other items, and may collect a minimum price from the consignor in addition to part, or less, than the full selling commission mentioned elsewhere in these Terms. This paragraph shall be deemed a part of the description of all lots contained in the catalogue.
- 3. Consignors or their agents may be permitted to bid on their own lots in the sale pursuant to a separate agreement with Superior and may receive a rebate commission in whole or part if successful. Under some circumstances, Superior may agree with a consignor to not require the consignor to pay in whole or in part for items bid upon or re-purchased by the consignor, or when or where an advance has been made, and instead to have the consignor pay an agreed upon difference to Superior, or to offset against other transactions with consignor. Where the consignor has re-purchased a lot; party has not been reached, and a lot is either returned to the consignor or otherwise dealt with or disposed of in accordance with the consignor's direction, or pursuant to contractual agreement, Superior reserves the right to so note in the prices realized or to omit a price from the price realized. Every consignor who registers to bid in the sale, whether to "protect" a lot, or for any other purpose, agrees to this and all other terms of sale.
- 4. Superior may make loans or advances to consignors and/or prospective purchasers.
- 5. The auctioneer, cataloguer and Superior may bid for his or its own account at any auction (even though it may not be required to pay a buyer's premium, or other charges that other bidders may be required to pay) and may have access to information concerning the lots and items contained therein that is not otherwise available to the public. Any conflict of interest or claim of competitive advantage resulting therefrom is expressly waived by all participants in the sale.
- 6. Because of the fungibility of the items sold, all lots may carry a reserve, a confidential price below which the auctioneer will not sell an item or will re-purchase on behalf of the consignor or for the account of Superior.
- 7. The auctioneer may open the bidding on any lot by placing a bid on behalf of the seller, a mail bidder, Superior, or any other participant in the sale. The auctioneer may bid further on behalf of the seller up to the amount of the reserve, by accepting bids from floor agents on the part of the consignor, or any affiliated or related company of the auctioneer or the consignor, by placing successive or consecutive bids for any lot, or by placing bids in response to other bidders. The auctioneer may accept or decline any bid, or challenge to any bid or bidding increment, as he, in his sole discretion shall determine. It is unlawful and illegal for bidders to collude, pool, or agree with another bidder to pay less than the fair value for a lot. Bidders in the sale acknowledge that the law provides for substantial penalties in the form of treble damages and attorneys fees for those who violate these provisions.
- 8. This catalogue contains the description of property of multiple consignors, and may include consignments from **Superior**, its principals, and affiliated or related companies and their employees, officers, or principals. All persons seeking to bid, whether in person, by an agent or employee, phone, or by mail, must have a catalogue and register to bid. By submitting a bid, whether in person, by mail, by phone, or through an employee or agent, the bidder acknowledges receipt of the catalogue, that the bidder has read the terms and conditions of sale, the descriptions for the lots on which they have bid, and that they agree to adhere to these terms of sale. No matter where signed, the agreement shall be deemed to have been made in California. The bidder acknowledges that the invoice describing a lot by number incorporates the catalogue by reference.
- 9. A Buyer's Commission of ten percent (10%) on each individual lot will be added to all purchases made by all bidders, except consignors, regardless of bidder's affiliation with any group or organization, and will be based upon the total amount of the final bid. The buyer's commission will be added to all invoices except for reacquisitions by consignors in which case a reacquisition charge may be higher or lower than the buyer's commission and is determined by separate written agreement with Superior.
- 10. All material shall be sold in separate lots to the highest bidder as determined by the Auctioneer. If any dispute arises during or immediately after the sale of a lot, Superior shall have the right to rescind the lot offered and put the lot up for sale again. In all cases, Auctioneer's decision shall be final. For the mail bidder's protection, no "unlimited" or "buy" bids will be accepted. The auctioneer may reject any such bid received.
- 11. Unless otherwise agreed in writing, auction sales are strictly cash in U.S. funds payable through a bank in the United States. Contact the Auction Company for wiring instructions before sending a wire. The auctioneer reserves the right to decline to release lots for which funds have not yet cleared. On any accounts past due, Superior reserves the right to extend credit and impose periodic charges as stated in these Terms of Sale or on the invoice or statement. Buyer agrees to pay reasonable attorneys fees and costs required to collect on such past due accounts. Lots must be paid for the earlier of receipt of invoice or delivery.
- 12. No credit card purchases will be accepted. Bids will not be accepted from those persons under eighteen (18) years of age without a parent's written consent which acknowledges the terms and conditions of sale herein and agrees to be bound thereby on behalf of the bidder.
- 13. By bidding in this sale, bidder personally guarantees payment. If a corporation is bidder, the officers and/or principals of the corporation agree to personally guarantee payment as part of their agreeing to bid, and the corporate representative present at the sale represents that a corporate resolution binding each such officer is on file with the corporation in its minute book and shall be presented to Superior upon request.
- 14. By bidding in this sale, the bidder certifies to the auctioneer, the cataloguer, and Superior that they are not engaging in a consumer transaction and that they are not seeking to acquire the lots for personal, family or household purposes. If a corporation is the bidder, such bidder certifies that the purchase is in the ordinary course of business has been approved by the Board of Directors.
- 15. Floor bidders and mail bidders who have not established credit with Superior or the auctioneer must furnish satisfactory credit references or deposit at least twenty-five percent (25%) of their total bids for that session(s) or such other amounts as Superior may require before such bids will be accepted. Deposits submitted will be applied to purchases and any unused portion of such deposit will be promptly refunded upon clearance of the funds.
- 16. Bids must be for an entire lot and each lot constitutes a separate sale. No lot will be broken up unless the auctioneer otherwise determines. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise.
- 17. This is not an approval sale. All lots sold to the highest bidder as determined by Auctioneer are final. Floor bidders are encouraged to carefully examine all lots which they are interested in purchasing since no lot purchased by a floor bidder may be returned, including those lots where the bidder is acting as agent for another, or to mail bidders who have examined the lot prior to sale, There are no returns or refunds except by reason of lack of authenticity, unless provided elsewhere in the catalogue or these terms of sale.

- 18. A. All items offered in this catalogue are guaranteed to be genuine as described, this is a limited warranty that the items art not counterfeit, unless otherwise stated or "sold as is." In the event a question arises as to the authenticity of a lot, the buyer must return the lot to SUPERIOR, with a written request for extension. SUPERIOR will submit all such lots to an independent authority chosen by SUPERIOR for certification (in the case of U.S. stamps, the accepted authorities are the Philatelic Foundation in New York and the Professional Stamp Expertizing Service in Miami). All lots for which extensions are requested must be received by Superior within 25 days of the sale date. No request for extension will be considered unless the lot has been returned to SUPERIOR; lots submitted directly to expertizing authorities by the buyer will automatically be denied extension and will be considered "sold as is." Except with respect to items certified as not authentic, buyers of certified items must pay as part of the purchase price all charges for certification, including postage, insurance and handling. Buyers of lots for which extensions are requested must pay for all these lots in full at the time of the sale. Claims of authenticity shall not apply to collections or lots containing ten or more stamps.
 - B. If a lot is delivered and is not in the condition as described when the bid was made and accepted, the buyer must submit a written claim within five (5) days of the receipt of the lots. The lot must be returned with the written claim.
 - C. In the event any lot is determined not to be genuine or in the condition as described then buyer shall be entitled to rescind his/her bid and purchase as the sole and exclusive remedy hereunder.
- 19. Superior reserves the right to open the lot at a reasonable price and to withdraw any lot at any time, even after the hammer has fallen, until the buyer has taken physical possession of the lot. No consignor who has registered to bid at the sale (or at any other time unless otherwise provided in the consignment agreement), or any buyer or prospective bidder shall have a right to claim any consequential damages if a lot is withdrawn, even after the sale.
- 20. When identical bids are received by Superior for a lot, preference is given to the first bid received as determined by the auctioneer. A mail bid will take precedence over an identical floor bid; a floor bidder must bid higher than the highest mail bid to be awarded any lot. Auctioneer reserves the right to refuse any bid, to reduce any mail bid received, to open the lot at any level deemed appropriate by the auctioneer and to determine the prevailing bid, at his sole discretion.
- 21. Auctioneer is not responsible for errors in bidding. A bidder should make certain to bid on the correct lot and that the bid is the maximum (plus the ten percent (10%) Buyer's Commission) that he or she is willing and able to pay. Because other bidders (by mail and in person) are present, and because a re-offering could damage the momentum of the sale, once the hammer has fallen and the auctioneer announced the winning bidder, such bidder is unconditionally bound to pay for the lot, even if the bidder has made a mistake.
- Sales tax, or any other tax, if required by law to be collected, postage, handling, and insurance plus the ten percent (10%) Buyer's Commission, and any other taxes required by law to be charged or collected will be added to the invoice for any lot(s) that is invoiced to successful bidders. On any tax not paid by purchaser which should have been paid, even if not collected by Superior by mistake, error, negligence or gross negligence, purchaser agrees to promptly pay the same on demand together with any interest or penalty that may be assessed. Purchaser grants to Superior or it assigns the right to offset any sums due, or found to be due, under these terms of sale, or any sums due purchaser by Superior, and to make such offset from any past, subsequent or future consignment, or items acquired by purchaser in possession or control of Superior or any sums due to purchaser by Superior, and further grants Superior a purchase money security interest in such items to the extent applicable. Purchaser agrees that Superior and its assigns shall be a secured party with respect to items of purchaser in possession of Superior to the extent of the maximum indebtedness, plus all accrued expenses, until the indebtedness is paid. Purchaser grants Superior the right to file a purchase money security interest on such items without need for debtor's signature, and to assign such interest to any affiliated or related company or any third party deemed appropriate by Superior.
- 23. In the event of a successful challenge to the title to any goods purchased, the auctioneer agrees to reimburse any purchaser in an amount equal to the successful bid at auction plus any buyer's commission paid, in full and complete satisfaction of all claims (which, once tendered by Superior, relieves and relinquishes it from any responsibility whatsoever to the buyer, even if the instrument is not cashed or is returned, in the event that it is determined that the purchaser has not acquired transferable title to the lot. By bidding in the sale, bidder expressly consents to waive any claim for auctioneer or cataloguer, Superior or its affiliated or related companies, arising out of, or in connection with, the sale or regulation, no third party shall be entitled to rely on any benefit or right conferred by these terms and conditions of sale on any bidder or purchaser. Any bidder in the sale availing themselves to this paragraph agrees that its use acts as an assignment of their rights to Superior, or its assigns.
- 24. Title to any lot remains with consignor, any secured party of the Consignor, or consignor's assigns, until the lot is paid for in full. Superior reserves the right to require payment in full before delivering any lot to the successful bidder. It is the buyer's responsibility and obligation to have the lots fully insured while in his or her possession. Risk of loss is on the buyer. If a dispute arises concerning ownership of a lot that has been bid upon, Superior reserves the right to commence a statutory interpleader proceeding at the expense of the consignor and successful bidder and any other applicable party, and in such event shall be entitled to its reasonable attorneys fees.
- 25. In the event a successful bidder fails to make payment when due, Superior reserves the right to resell the merchandise, or to have an affiliated or related company do so, and bidder agrees to pay for the reasonable cost of such a sale and also to successful bid, together with any incidental costs of sale and also to pay any difference between the resale price and any previous disbursements, including reasonable attorney's fees. Such expenses may include the cataloguing of an item, and any other reasonable charges, including securing opinion of counsel if necessary. Any excess shall accrue to Superior as part of the cost of undertaking the sale.
- 26. Purchaser agrees that any claim or controversy arising out of or relating to the formation, interpretation or performance of these terms and underlying transactions or the breach thereof is subject to binding arbitration in accordance with the rules or the American Stamp Dealers Association except for any claim or controversy arising out of or relating to the formation, interpretation or performance of this agreement or breach thereof, which may be referred to Judicial proceedings at the option of Superior. Arbitration or Judicial proceedings shall take place in the county of Los Angeles in the state of California.
- 27. If the auction invoice is not paid for in full when due per invoice terms, the unpaid balance will earn interest at the highest rate permitted by California law until it is paid. In the event it exceeds the sum permitted by law, the same shall be adjusted to the maximum legal rate. If the matter is referred to an attorney or collection agent for collection, bidder agrees to pay all reasonable attorneys fees, court costs and other collection costs incurred by Superior, its assigns, or any affiliated or related company to collect past due invoices and that the service of process by certified or registered mail, return receipt requested, shall be sufficient to confer full "in personam" jurisdiction over bidder and/or any firm that the bidder represents. Superior reserves the right to assign its interest to any third party.
- 28. All photographs in this catalogue are of the actual items being sold but may not be the actual size.
- 29. Superior and the auctioneer reserve the right to postpone the auction sale or any session there of for a reasonable period of time for any reason whatsoever, and no bidder or prospective bidder shall have any claim as a result thereof, including consequential damages.
- 30. Neither Superior, the Auctioneer, or any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the terms and conditions of the auction and sale or the conduct thereof and in no event shall liability for any such failure exceed the purchase price paid.

Terms of Sale

- 31. The sole remedy that any participant in the auction shall have, whether bidding in person, by mail, or through an employee or agent, for any claim or controversy arising out of the auction shall be a refund of the original purchase price and premium paid, if any. Interest shall be paid by Superior at a rate of no greater than nine percent (9%) per annum, up to a maximum of six (6) years. Unless the rules of the American Stamp Dealers Association provides for a higher rate of interest or a longer period of time, in which case such rules shall prevail. A lower rate, or shorter period, may be decided by the arbitrators.
- 32. Upon payment of a disputed sum as determined by the arbitrators, or in full at the maximum rates set forth above, or at an agreed rate, SUPERIOR, and employees thereof, shall be deemed released from any and all claims of the bidder arising out of or in connection with the sale of such property. Buyer agrees to execute prior to delivery of any refund and documents reasonably requested to effect the intent of the paragraph. Should the buyer decline to do so, buyer hereby grants to SUPERIOR a limited power of attorney to unconditionally effect such release.
- 33. Rights granted to bidders and Purchasers under the within terms of sale are personal and may not be assigned or transferred to any other person or entity, whether by operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these terms and conditions of sale and terms of warranty on any bidder or purchaser. "Purchaser" shall mean the original purchaser of the property from Superior and not any subsequent owner or other person who may have or acquire an interest therein. If purchaser is an agent, the agency must be disclosed in writing to Superior at the time of sale, otherwise the benefits of the warranty shall be limited to the agent and not transferable to the undisclosed principal.
- 34. Should any third party attempt to utilize any warranties contained herein, they shall first give Superior thirty (30) days written notice by Registered Mail or Certified Mail Return Receipt Requested during which time Superior may, should it choose to contest the third party's claim, ask the American Arbitration Association to appoint a panel of three arbitrators skilled in the field to make such a determination at Los Angeles, California. By seeking to use such remedy, the third party unequivocally and without reservation consents to binding arbitration, and its conclusive and binding determination of any alleged damages as a sole and exclusive remedy. With respect to any other pertinent notice requirements, venue and personal and subject matter jurisdiction, said third party is bound to the provisions pertaining to bidders, buyers and purchasers, as otherwise provided for in these terms of sale.
- If the Purchaser fails to comply with one or more of these Terms and Conditions of Sale then, in addition to all other remedies which it may have at law or in equity, Superior may at its sole option, either (a) cancel the sale, retaining as liquidated damages all payments made by the Purchaser, it being recognized that actual damages may be speculative or difficult to compute, or (b) sell some or all of the property and some or all other property of the Purchaser held by Superior, in a quantity sufficient in the opinion of Superior to satisfy the indebtedness, plus all accrued charges. More than one such sale may take place at the option of Superior. Such sale may take place without notice to purchaser; if Superior gives notice, it shall be by regular mail to the address utilized on the Bid Sheet, Consignment Agreement or other address known to the firm. Such sale will be at Superior's standard commission rates at public or private sale, with or without California, or at another location determined by Superior, at which time (if the sale be at auction) the defaulting party shall not bid nor be permitted to bid. The proceeds shall be applied first to the satisfaction of any damages occasioned by Purchaser's breach, and then to the payment of any other indebtedness owing to Superior, including without limitation, commissions, handling charges, the expenses of both sales, reasonable legal fees and collection agency fees and any other costs or expenses incurred hereunder. If a lot or item is not paid for, and is sold by Superior for purchaser's account, in accordance with the Uniform Commercial Code, Superior shall not be required to account to the purchaser for any excess proceeds. Purchaser is also liable to Superior if the proceeds of such sale or sales is insufficient in the opinion of Superior to cover the indebtedness. If other property of purchaser is also sold, any excess of proceeds will be remitted to the Purchaser after first deducting the expenses set forth above. If Purchaser fails to remit sums due to Superior, Purchaser grants to Superior a lien with respect to such sum, with interest to accrue thereon at the judgment rate, until actually paid, which lien shall apply against any property of purchaser, including any future goods of purchaser coming into possession of Superior. Purchaser hereby waives all the requirements of notice, advertisement and disposition of proceeds required by law.
- 36. Bidding in this sale constitutes acceptance by the bidder of all the foregoing terms and conditions of sale.
- 37. By bidding in this sale the bidder acknowledges as follows: Grading is an art and not a science. The grades herein represent the opinion of Superior based upon the firm's experience. It is possible that two people will not always grade the same item alike. Also, as market conditions change, grading standards change, and will most likely continue to do so in the future. Each bidder's own examination of the item(s) should be the criterion and not the grade represented by another. In any purchase or sale, the value of the item(s) is determined by the price. Bidders who examine lots prior to the sale assume liability for any damage caused thereto.

AS STATED IN THE TERMS OF SALE:

Certain lots may be reserved by the consigor. If the Auctioneer identifies a consignor bidding on his own property an announcement will be made that the consignor is now bidding. If the consignor places a bid in the mail bid book and is successful, the auctioneer will announce that the lot has been passed.

EXTENSION LOTS

Please note that lots for which certificates of authenticity are desired <u>must</u> be <u>submitted</u> directly by <u>Superior</u> to an independent authority chosen by <u>Superior</u>. All extension lots must be paid for in accordance with the Terms of Sale in this catalog.

No lot will be accepted as a return for any reason unless this Term of Sale is complied with fully. No exceptions.

Instructions for New Mail Bidders

If you have never used our mail bid system, here is an explanation. The procedure is quite simple. On the enclosed Mail Bid Form there is space provided for the lot number and the amount you are willing to bid. After carefully reading the description of the lot you wish to bid on, write down the lot number and the maximum amount you are willing to pay. For example, let us assume you are interested in bidding on Lot 1 and the maximum amount you are willing to bid is \$350.00, your bid sheet should be as shown on the right.

The bid which you enter is the "maximum amount" or top price you are willing to pay for the lot (unless you have checked one of the percentage increase boxes). However, there is always the possibility that you may obtain the lot for less.

Before mailing, check your bid sheet for accuracy. Make certain that you bid on the correct lot and that your bid is the maximum you are willing to pay.

Bidding by mail permits you to participate in the auction as though you were in attendance. Many rarities are obtained through the medium of auctions and it can be very exciting as well as rewarding method of obtaining wonderful items for your collection We look forward to your participation in our sale.

Thank you, The Auction Department

VALUATIONS

An ESTIMATED CASH VALUE (ECV) is given on lots of a specialized nature or where the catalog value is an unreliable indicator of the value of the lot, representing our professional opinion of the expected market realization. If an ECV is not indicated, i.e. "(\$)", this reflects a unique piece for which a market value has not yet been established. Bidders requiring more information or evaluation of the projected realization of any particular lot should contact us by phone or mail.

Stamps will be numbered as follows: (A) 3-5 indicated that the bid will be for stamps three, four and five; (B) 10, 13, 17 indicated that only those particularly numbered stamps are included. In the case of a large lot, the range of issues; (C) 6/28 indicated a range of stamps between and including those two numbers.

Officials

The "V.R." Official

The "V.R." Official was prepared for use in April 1840, but never actually issued, and eventually the idea of using special stamps for government offices was abandoned. In January 1843 all but 21 sheets were destroyed by the post office. Of these 21 sheets, 13 were used for distribution with the official Notices to Postmasters. Rowland Hill, the inventor of the postage stamp, used some for experiments with trial cancelling devices. Very few copies still exist.

Rare Mint £1 Official

2179 * 1902, £1 King Edward VII, overprinted "I.R. Official," a beautiful example of an extremely rare stamp, with full o.g., hinged, fresh and well centered, very fine, with 1987 B.P.A. certificate.

Like the early official issues of Switzerland and the International Court of Justice in the Netherlands, the Great Britain overprinted officials were never supposed to have been sold or otherwise made available to the general public. The higher denominations are particularly rare. The Edwardian issues are perhaps the rarest of all, as they had the shortest period of use. All G.B. officials were withdrawn in May 1904. The "I.R." officials were distributed only to certain provincial offices of the Inland Revenue Department, the main London office using a free frank instead.

THE GREAT AIRMAIL RARITIES OF NEWFOUNDLAND

Introductory Notes

The air mail issues of Newfoundland rank among the classics of aero philately. Philatelists who are not interested in this branch of the hobby, as well as many who are not, or ever were, collectors have heard of the famous "Hawker," "De Pinedo," "Columbia" and others, which realize such high prices when they appear on the market.

Newfoundland also has the distinction of being the first British possession to issue air mail stamps, the first one appearing in 1919.

The London "Daily Mail" early that year offered a prize of £10,000 for the first successful flight across the Atlantic. The various attempts to win this prize account for the first three of Newfoundland's contributions to aero philately. The Balbo flight, and the flight of the "Columbia" monoplane account for two other great rarities.

In 1931 the first regular air mail stamps were issued, and the era of rare provisionals had passed.

Not only are the early issues rare, but they are souvenirs of historic moments in the story of man's conquest of the air. It is a vivid commentary on the progress of flight when we consider that less than twenty-five years ago [this was written in 1942] a successful trans-Atlantic flight was featured on the front pages of the leading newspapers of the world, whereas today the flights over the same routes, and other flights even more hazardous are so routine that it takes a failure to make the same headlines!

From "The Postage Stamps and Postal History of Newfoundland" by Winthrop S. Boggs.

The Hawker Flight

Pilot Harry Hawker and Navigator Lt. Commander MacKenzie Grieve were the first to attempt the £10,000 "Daily Mail" prize for the first successful non-stop Atlantic crossing; they left Newfoundland May 18, 1919. Unfortunately after 1100 miles radiator trouble forced the plane down. The Newfoundland Postmaster General had hurriedly overprinted 200 copies of the 3¢ "Caribou" for special mail on the flight, some being destroyed as defective. Hawker's watersoaked mailbag was salvaged and retrieved by the U.S.S. Lake Charlotteville. As a result of the sea immersion nearly all the used copies are water stained.

Capt. John Alcock and Navigator Arthur Brown in their Vickers-Viny made the first successful flight shortly after, on June 14-15, to win the prize, but by then the Postmaster was better prepared and 10,000 stamps were issued for this flight.

The De Pinedo Flight

In May 1927 the Italian airman Marchese Francesco de Pinedo suddenly arrived in Newfoundland for the return leg of his historic transatlantic flight. The post office had only a few days to hurriedly overprint some 300 stamps, of which 225 were used on letters carried on the flight. De Pinedo was forced down near the Azores but eventually reached Rome safely.

The Columbia Flight

In Sept. 1930 Capt. Erroll Boyd, a former R.C.A.F. pilot, and navigator Lt. Harry Connor of the U.S. Navy, arrived in Newfoundland in their Bellanca monoplane "Miss Columbia." They agreed to take a limited amount of mail with them in their attempted transatlantic flight. As the "Columbia" was expected to take off at any minute, mail and special stamps for the flight were hurriedly prepared. 300 copies of the 36¢ "Caribou" were overprinted, of which 160 were used on letters carried on the flight. The airmen successfully reached England on Oct. 10.

Sheets of the Balbo Flight Issue

3525 ** 1933 Balbo North Atlantic Flight triptychs, a complete set of full sheets, o.g., n.h., very fine, signed Bolaffi.

The issue was printed as a set of "triptychs" or se-tenant strips of 3, with a registry label at left, a 5.25L definitive in the center (paying the registry fee for mail going abroad), and an airmail stamp at right, in 2 different denominations: one sheet with 5.25 + 19.75L (paying the airmail rate within Europe) and the other sheet with 5.25 + 44.75L (paying the airmail rate to North America). The registry label at left was overprinted "Apparecchio I-" (=Italian Aircraft) and a 4 letter abbreviation for the name of each pilot, each triptych thus having a different overprint. As the sheets contained only 20 triptychs and there were originally 25 aircraft, 5 pilots were not listed. As a result of the success of the flight, Flight Commander Italo Balbo was made Italy's first Air Marshall on his return.

Full sheets of this issue are extremely scarce. Scott Nos. C48-49; \$1400 for hinged. Michel Nos. 445-446; 8000DM (=\$4801).

The stamp was intended to be used on mail on the New York to Rome return flight of the Balbo squadron. As American postal regulations however prohibited use of any but U.S. stamps, the "Return Flight" overprints could not be used, and in any case they arrived too late, after the squadron had departed.

Only 500 were printed.

The "Campione d'Italia" is a small enclave of Italy entirely surrounded by Swiss territory.
